## ANNEXURE-A

### The Job responsibilities of the Directorate :-

The Directorate of Economics and Statistics collects, collates and analyses data on various aspects of agriculture with a view to assist in policy formulation. It brings out Agricultural Statistics every year which provides a wide range of data on diverse aspects of Indian Agriculture that are greatly useful to policy makers, economists, researchers, agriculture scientists, students and the public at large. It also meets the needs of different Government and Non-Government organizations working in the agricultural sector of the country.

Total sanctioned strength of staff of the Directorate :- 346

Job responsibilities of each individual of the Directorate :- As per manual of office procedure & functional requirements.
